1. Overview & Scrutiny Committee Work Programme 2019/2020

1.1 This is the third meeting of OSC in this municipal year.

OSC Work Programme 2019/2020

1.2 The work programme for OSC in 2019/2020 is attached as **Appendix 1**.

1.3 Page 4 of the appendix includes the items not yet allocated to a meeting.

1.4 There is no need to finalise the work programme at this stage or see it as a static document – flexibility in the programme will allow the committee to deal with matters arising from the council’s Forward Plan and elsewhere during the course of the year. Further items that arise unexpectedly such as Call ins, the Councillor Call for Action (CCfA) and the Crime and disorder Call for Action mean that OSC’s scheduled workload needs to be kept light to deal with these unscheduled items.

2. Legal Implications

2.1 The general scrutiny functions and powers and specific role of Overview and Scrutiny Committee are set out in the Council Constitution.

3. Financial Implications

3.1 There are no direct financial implications arising from this report. Support to Overview and Scrutiny Committee is contained within the allocated budget. Value for money will come from OSC having a well-constructed work programme with each topic for scrutiny having a considered brief and identified outcomes.

4. Other Implications

4.1 There are no other implications arising from this report.
