

# Gillian Marston – Director of Environment

£1 **billion** is spent in the UK on cleaning our streets

**£18m** spent on removing fly tips across London every year

**1 in 5 people admit to fly tipping**

1 in 3 don't know they are fly tipping

1 in 4 admit they drop litter

Your Council spends £2m on Street Cleaning across 23 wards = 87K per ward

Spreading the money evenly – Southall Broadway and Southall Green = 174k

**Spend is 360k – 18% of the total budget**

**Spend 417k on fly tipping – 60% of this on Southall Broadway and Southall Green**

## What is in place:

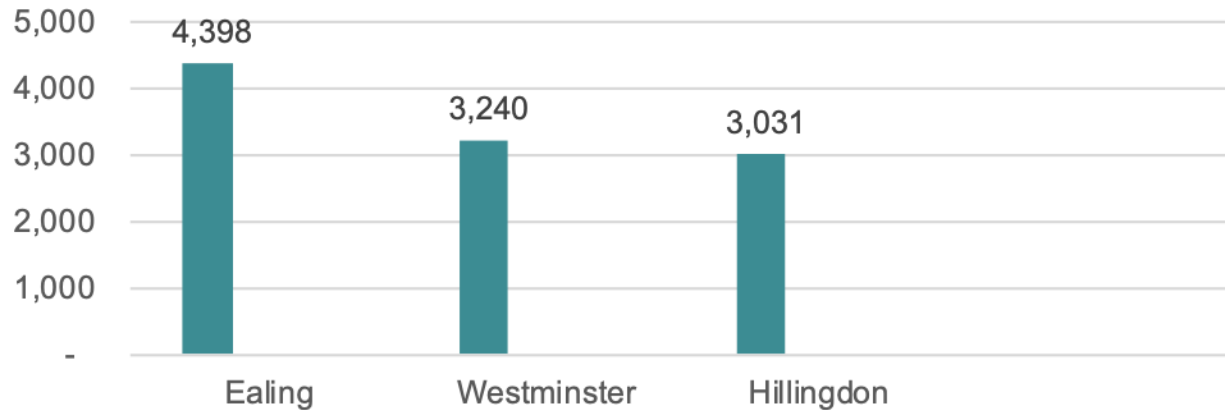

Clean the streets every week (most of the borough is every 2 weeks)

Dedicated enforcement officer

Dedicated fly tipping investigation crew – visiting 83 hot spots at least weekly

Reduce times businesses are allowed to put rubbish out on the Broadway

## Fixed Penalty Notices

**39%** of all Fixed Penalties issued in Southall

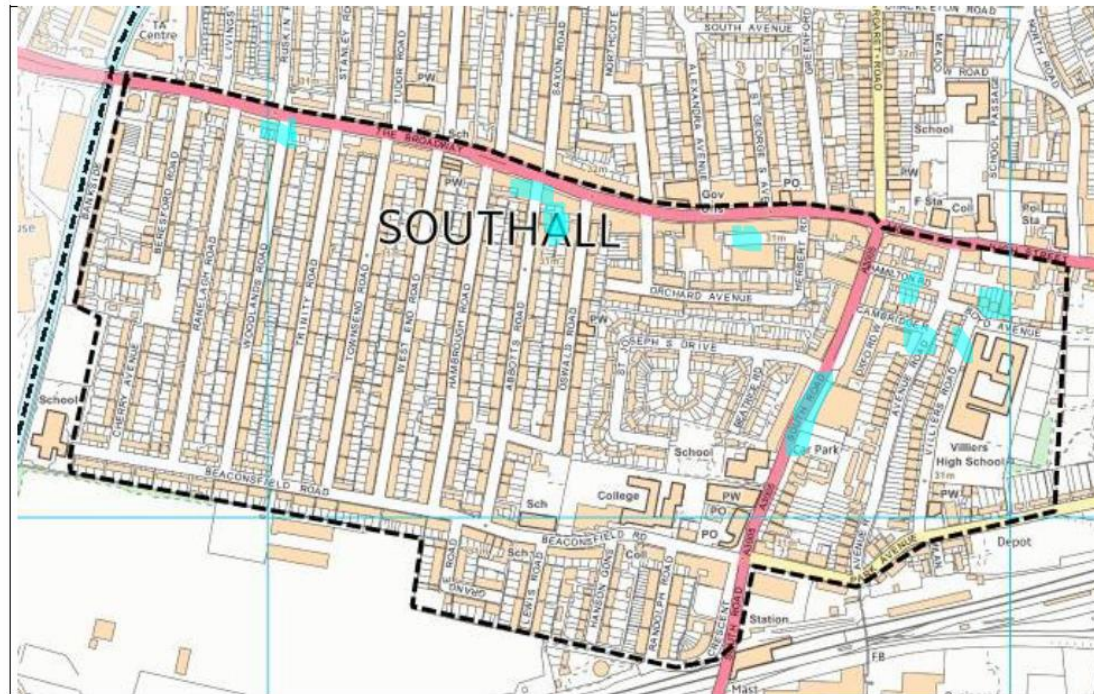

# We are doing some new things too.....

Increased amount of street cleaning – 2 people on foot with a barrow Monday to Friday

Greater use of CCTV – and we are catching fly tippers

Report a fly tipper on the website

Targeting intensive effort into smaller areas

# This is what we have done so far.....

Sent a letter to every resident

22 investigations

3 pending prosecutions

136 visits to businesses

148 FPN's for dumped rubbish and littering at £80 each

52 failure to provide waste transfer notes FPN's at £300 each

9 residential fly tipping FPN's at £400 each

23 business fly tipping FPN's at £400 each

Wanted posters
