<b>RULE 10.1 ORAL QUESTIONS</b>			
<b>No.</b>	<b>From</b>	<b>To Cabinet Member</b>	<b>Question</b>
1.	Councillor Millican (Conservative)	<b>Councillor Costigan – (Climate Action)</b>	How many responses to date has there been on Commonplace and what % wanted the LTNs removed?
2.	Councillor Rai (Labour)	<b>Councillor Raza – (Tackling Inequalities)</b>	Since the Euros final we've seen a grotesque amount of racist abuse directed at England penalty takers. 3.	Councillor Malcolm (Lib Dem)	<b>Councillor Costigan – (Climate Action)</b>	With regard to the CPZ style consultation concerning LTNs, why have so many people reported not receiving the consultation forms? There are at least 22 streets in which many people appear not to have received a leaflet. When you were informed of this what did you do?
4.	Councillor Rooney (Labour)	<b>Councillor Blacker – (Healthy Lives)</b>	Yesterday, the government announced they had "opened up" and removed restrictions put in place to control the spread of Covid-19. Can the portfolio holder comment on this recklessness in the face of a rapidly spreading Delta variant?
5.	Councillor Steed (Lib Dem)	<b>Councillor Costigan – (Climate Action)</b>	How does the Portfolio Holder reconcile the closing of Stirling Road Recycling Centre in Acton with the Councils response to the Climate Change Emergency?
6.	Councillor Kumar (Conservative)	<b>Councillor Manro – (Good Growth)</b>	When will the administration announce its plans for Gurnell Leisure Centre?
7.	Councillor Anjum (Labour)	<b>Councillor Nagpal – (A Fairer Start)</b>	Last week the cabinet approved funding to plug the gap created by the government and ensure over 3,000 children didn't go hungry this summer. What further plans are there to support children over the summer holidays?
