Date: 3rd October 2017

Dear Resident,

Over recent months, the council's Safer Communities team, ParkGuard and police have been working in partnership. The aim is to reduce criminal and anti-social behaviour in the area.

We want to reassure you that our partnership work will continue, and encourage you to report any anti-social behaviour and criminal activity in your neighbourhood to the council or police using the attached contact details.

Please note that continued engagement with residents, such as you, plays a vital part in the long term success of crime reduction.

The council and police are committed to working together to make Ealing safer by tackling crime and anti-social behaviour.

If you have any further questions or concerns, I welcome you to contact me or a member of my team.

Yours faithfully,

Andrew Stacey
Safer Communities Officer
(Housing and Regeneration)
