

### 1. How to make businesses aware:

The launch of the Cleaner Southall campaign will include posters in the main shopping areas, flyers advising people that fixed penalty notices have been issued in the area will be distributed by enforcement officers, images from CCTV footage will be used to 'name and shame' culprits and we will introduce a weekly email bulletin which businesses can also sign up to receive by emailing [mywardmatters@ealing.gov.uk](mailto:mywardmatters@ealing.gov.uk) with Southall bulletin in the subject line

2. To report a business for fly tipping: [www.ealing.gov.uk/reportit](http://www.ealing.gov.uk/reportit)

This will be available on Ealing 24/7 app in 2019

For all businesses

Click here to check if your commercial waste collector is [registered to take your waste](#)

If you are transporting your own waste, click here to apply to [register or renew your waste carrier licence](#)

Click here to find out information about the [council's commercial waste service](#) – it may be cheaper than you think and of course, any surplus money is reinvested in local public services
