6. **Cabinet Agenda of Meeting scheduled for 22 July 2014**

Members considered the agenda reports for the Cabinet meeting scheduled on 22 July 2014.

Agenda Item 18 - Ealing Cinema Site

The Chair reported that the CPO had now been signed off. Councillor Dabrowska stated that it was important that the bigger picture relating to the cultural development was in the public domain.

Agenda Item 19 - The Local Heritage Register

Councillor Young reported that concerns had been raised by some residents about properties that were not on the list or had been taken off as well as properties which residents had not known were on the list.

Councillor Sumner stated that this had been discussed and the paperwork that was submitted to Planning was accepted. He felt that everyone was aware that the list was a live document which could be added to.

Councillor Dabrowska commented that this item had originally been submitted to an earlier planning meeting but was deferred as there were a significant number of new Councillors on Planning Committee. It was fundamental for Ealing's heritage that this item be monitored. She felt that a detailed business should be produced and made available.
