

Appendix 1 Climate Change Workshop - OSC Comments

Key area	Idea	Type	Key words
Energy	Invest in Hydrogen	Project	hydrogen
Energy	Insist on solar panels in all new developments	Policy	planning
Energy	solar water pumps for all domestic households		
Energy	Public buidlings - use roof for power source	Project	solar PV
Energy	Solar panels on shopping centres	Project	solar PV
Energy	Requirement for microgeneration on all planning schemes - even single units	Policy	solar PV
Energy	Wind turbines on high rise developments	Policy	wind
Energy	All new schools solar panels carbon neutral	Policy	solar PV
Energy	Exercise bikes generating energy in parks	Project	renewable energy
Energy	build a carbon capture and storage plant	Project	carbon capture
Energy	offset all resident's emissions	Project	carbon offset
Energy	Build an anaerobic digester	Project	anaerobic digester
Energy	Use Warren Farm as a solar farm to produce our own energy	Project	solar PV
Energy	Develop an Ealing renewable energy company investor council and residents	Partnership	renewable energy
Energy	Replacement building for PH needs to be exemplar of carbon neutrality	Project	Perceval House; new HQ
Energy	Partner with energy supplier for boiler replacement	Partnership	boilers
Energy	Promote ground source and air source heat pumps	Communication	ground source heat pump; air source heat pump
Energy	Incentivise scrapping gas boilers for heat exchangers	Project	boilers
Energy	Solar panesl above all car parks	Project	solar PV
Food Systems	Herd of sheep on Ealing Common; reduce food miles	Project	sheep; grazing
Food Systems	Encourage more growing in your garden; eg free seeds, classes etc	Communication	food growing
Food Systems	Produce material on growing own food	Communication	food growing
Food Systems	Encourage more farmers' markets and sale of allotment produce	Partnership	farmers' markets; allotments; food growing
Food Systems	More local food shops rather than superstores	Communication	local food
Food Systems	More edible gardens, get schools and businesses involved	Partnership	edible gardens; schools
Food Systems	Encourage businesses to sell seasonal	Communication	seasonal eating
Food Systems	All school meals only have in season produce	Policy	seasonal eating; procurement
Food Systems	Promote veganuary	Communication	vegan
Food Systems	Introduce "meat free days" in the school canteens	Policy	vegetarian; schools
Food Systems	Lesson from southwark: meat free mondays	Project	vegetarian; canteen
Food Systems	Develop further allotment use; develop more green space for allotment use	Policy	allotment
Food Systems	work in schools to promote "green eating!	Communication	green eating; schools
Food Systems	Develop local orchards for residents to pick their own; charge for entry	Project	orchard; you pick
Food Systems	Local taxing on meat/milk animal products in general	Policy	businesses
Green Space	Free seeds/grass for everyone	Project	gardens
Green Space	Create more grass/"wild" verges	Policy	rewild
Green Space	Create green walls on corporate/public estate	Project	green walls
Green Space	Clean up Grand Union Canal	Partnership	restoration
Green Space	Get developers to invest in/plant mature trees not just saplings	Policy	planning
Green Space	Get companies to allow employees days off in order to plant trees and clean rivers	Partnership	restoration; volunteers
Green Space	Rain water collection systems (publi and domestic) to make more use for gardening and avoid flash flooding	Project	resilience
Green Space	Stronger regs with developers on green spaces (and carbon neutral)	Policy	planning
Green Space	All housing projects/planning preserve trees/plant trees	Policy	planning; trees
Green Space	Ban felling of tree in gardens without good cause - TPO all trees/enforce	Policy	trees

Appendix 1 Climate Change Workshop - OSC Comments

Key area	Idea	Type	Key words
Green Space	Turn Warren Farm into an actual farm	Project	farm
Green Space	Less building on green spaces	Policy	green spaces
Green Space	Roof gardens for new builds	Policy	planning; green roofs
Transport	Expand electric and hybrid buses to a wider area	Partnership	bus; electric vehicle
Transport	Workplace parking levy	Policy	parking; business
Transport	Educate pupils/parents on travel to school; pass on messages	Project	schools; travel plan
Transport	Remove parking spaces and incentive to drive	Policy	parking
Transport	Scrappage scheme for diesel and other high emission old cars	Partnership	scrappage; diesel
Transport	Joined up transport policy cross council re electric/no diesel	Communication	electric vehicle; diesel
Transport	Encourage transport partners to be fully electric ASAP	Policy	procurement; electric vehicle
Transport	Huge increase in EV charging points on lampposts - all streets in borough	Project	electric vehicle
Transport	Electrify council vehicle fleet; use hybrids	Policy	electric vehicle
Transport	Pedestrianise town centres and/or key shopping streets	Project	pedestrianise
Transport	Close roads; traffic evaporation is real	Project	road closure
Transport	Restrict paving over front gardens for parking	Policy	gardens
Transport	Stop councillors flying to Cannes each year - set example	Policy	flying
Transport	No third runway	Policy	flying
Transport	More working from home to save on transport carbon	Policy	work from home
Transport	Develop infrastructure for walking, cycling, electric bikes and scooters	Project	active travel infrastructure
Transport	Segregated cycle lanes	Project	active travel infrastructure
Transport	Night tube for Northolt - less taxis	Partnership	tubes
Transport	More frequent/reliable local buses	Partnership	buses
Transport	Safer cycle lanes	Project	active travel infrastructure
Transport	Publicise 93% of schools are good or outstanding; no excuse to drive children long distances	Communication	schools; school run
Transport	scooter hire scheme - unpowered or electric	Partnership	scooter
Transport	Cycling in Southall	Project	cycling
Transport	Promote Eurostar instead of flying	Communication	flying
Transport	Prosecute cyclists who break the law to improve the standing of cycling community	Policy	cycling
Transport	Free or very cheap public transport	Partnership	public transport
Transport	Better orbital bus routes	Partnership	buses
Transport	Car free days - summer fun day, walk and cycle roads (one every three mos)	Project	car free day
Transport	Educate about negative environmental impact of EV manufacturing	Communication	electric vehicles
Transport	urge all managed estates to have safe bike storage	Partnership	cycle parking; cycling
Transport	Persuade Amazon to use EV for large deliveries and cycle for small items, we are near depot	Partnership	deliveries
Transport	Every residential street to have a bike hanger	Policy	cycling
Transport	Make some roads bus and cycle only for at least part of the time	Policy	public transport; cycling
Waste and Consumerism	Discourage fast fashion; encourage the opening of more sustainable fashion shops	Communication	fast fashion; consumerism
Waste and Consumerism	Work with schools to encourage children to waste less and learn to fix rather than replace	Partnership	repair; children
Waste and Consumerism	Less packaging - influencing buyer and supplier behaviour	Partnership	packaging
Waste and Consumerism	Stricter rules for food takeaways - plastic cups, packaging, etc	Policy	packaging
Waste and Consumerism	Encourage less concrete use - more prefab and timber construction	Policy	planning
Waste and Consumerism	Ban domestic bonfires and get people composting	Policy	composting
Waste and Consumerism	Swap shops for appliances/bicycles	Partnership	swap shop; reuse
Waste and Consumerism	Libraries of "stuff"	Partnership	shared economy

Appendix 1 Climate Change Workshop - OSC Comments

Key area	Idea	Type	Key words
Waste and Consumerism	Easily accessible points to pick up and drop off childrens toys, buggies, car seats, etc	Partnership	reuse
Waste and Consumerism	Get young families to share hand me downs at parties	Communication	reuse
Waste and Consumerism	Council leadership - paper free meetings from 2022 elections	Policy	paper free
Waste and Consumerism	Education - reduce packaging expectations for consumers and suppliers	Communication	packaging
Waste and Consumerism	surcharge on all single-use coffee cups	Partnership	reduce single use
Waste and Consumerism	Use glasses or paper cups, not plastic	Policy	reduce single use
Waste and Consumerism	Council model - plastic free; paper free	Policy	reduce single use
Waste and Consumerism	Encourage businesses to use alternatives to plastic	Communication	businesses
Waste and Consumerism	All school meals plastic free	Policy	procurement; schools
Waste and Consumerism	Ban single use plastic across the borough	Policy	single use plastics
Waste and Consumerism	Micro composting sites established where possible in local parks or a areas - available for dropping off an collectiong	Project	composting
Waste and Consumerism	More recycling from flats	Policy	recycling
Waste and Consumerism	More food waste services for flats	Policy	composting
Waste and Consumerism	Have communal bins in street as in Edinburgh to ensure all neighbours get to recycle, compost	Project	composting; recycling
Waste and Consumerism	Offer residents incentives for recycling and encourage them by highlighting it is vital to tackle climate change	Policy	recycling
Waste and Consumerism	Stop publishing Around Ealing	Policy	comms
Waste and Consumerism	Encourage reusable nappies, e.g. wonderoos	Communication	nappies
Waste and Consumerism	Free garden waste collection	Policy	garden waste; composting
Waste and Consumerism	Educate on home composting	Communication	composting
Waste and Consumerism	Collect recycling weekly	Policy	recycling
Other	Funding environmental education at all schools	Partnership	schools; curriculum
Other	Engage council tax payers with ideas and stimulation	Communication	engagement
Other	Use social value provision in contracts to change supply chain behaviours	Policy	social value; procurement
Other	Link senior council officer pay to carbon reduction	Policy	
Other	Tackle businesses - sustainable policies and ask each to make a major change	Partnership	businesses
Other	Buy carbon credits	Policy	carbon offset
Other	Planning permission only if contributing to 2030 goal	Policy	planning
Other	All councillor school governors insist on input to curriculum	Communication	schools
Other	Green fest, festival summer about being more sustainable	Communication	festival
