RULE 10.1 ORAL QUESTIONS			
No.	From	To Cabinet Member	Question
1.	Councillor Sahota (Labour)	Councillor Mahfouz – (Decent Living Incomes)	The Conservatives seem to be continuing to pursue cutting the Universal Credit uplift despite the devastating impact it could have on many families. Can the portfolio holder give an update on the expected impact in Ealing?
2.	Councillor Conti (Conservative)	Councillor Costigan – (Climate Action)	The independent review of public engagement in low traffic neighbourhoods in Ealing found that the administration's failure in respect of public engagement leading to not only additional costs but reputational damage and that engagement of local people was far from best practice. How will the council ensure that this doesn't happen again?
3.	Councillor Brett (Labour)	Councillor Mason – (Leader of the Council)	Can the Leader give us more detail on the Armed Forces Covenant, and what this means for forces families in Ealing?
4.	Councillor Dabrowska (Conservative)	Councillor Mason – (Leader of the Council)	Which Councillors have not attended a meeting that counts towards a Councillor's attendance record under Section 85 (2) of the Local Government Act 1972 since the virtual meetings regulations expired in May?
5.	Councillor Dhadwal (Labour)	Councillor Costigan – (Climate Action)	Can the portfolio holder give us an update on COP26, and work the council is doing to tackle the climate crisis?
6.	Councillor Steed (Lib Dem)	Councillor Costigan – (Climate Action)	Please note the poor performance of the Council's Tree Service over the past year. Can the Portfolio Holder confirm that the current contractor for tree pruning has or will be replaced and that any new contract will be managed more effectively?
7.	Councillor Gallant (Conservative)	Councillor Costigan – (Climate Action)	How much money has been raised in fines from LTN's?
