Portfolio	Health and Adults Services - Councillor Hitesh Tailor
For Consideration By	Cabinet
Date to be considered	15 September 2015
Implementation Date if Not Called In	28 September 2015
Affected Wards	All
Keywords/Index	Adults Services, Dementia, Dementia Programme Board

Purpose of Report:

For Cabinet to consider the report and recommendations arising from a review undertaken by the Health and Adult Social Services Scrutiny Standing Panel into Dementia Services in Ealing

1. Recommendations

That Cabinet consider the following;

- (i) the report and recommendations set out in in Appendix A and the response of Service Officers to each of the recommendations set out in Appendix B.
- (iii) directs the Executive Director of Children and Adults to produce an action plan on those recommendations which are agreed by Cabinet
- (iii) reports its decisions to the Overview and Scrutiny Committee on 8 October 2015

2. Reason for Decision and Options Considered

Scrutiny has a role in improving decision-making and service delivery through effective scrutiny. Recommendations from Scrutiny need to be taken forward in a timely manner and in accordance with the Council's Constitution if the Scrutiny function is to be effective. The Scrutiny and Executive Protocol identifies the timescale for Cabinet to respond to Scrutiny recommendations. This decision will mean that the response is made in a timely manner and that services can implement the recommendations accepted.

3. Key Implications

The recommendations of the Dementia Services Review are provided in a table format in Section 8.0 of the full report of the Panel in Appendix A. Officers have provided comments for all recommendations, apart from recommendation 15 which is made directly to Cabinet, in Appendix B .

The Council Constitution (Part 3) gives the Health and Adult Social Services Scrutiny Panel the power:

- To review and scrutinise the planning, management, provision and performance of adult social services.
- To review and scrutinise matters relating to health services in the authority's area and to make reports and recommendations on such matters in accordance with the powers given to the local authority by the National Health Service Act 2006 or as modified by subsequent legislation.
- To consider and make recommendations for response to proposed substantial developments/variations in health services that would affect the people of LB Ealing and to make referrals to the Secretary of State in accordance with the powers given to the local authority by the National Health Service Act 2006 or as modified by subsequent legislation.

Where appropriate, service officers have identified the financial, legal and any other pertinent implications against each recommendation to enable Cabinet to reach a decision.

The Health and Adult Social Services Standing Scrutiny Panel will, twice a year, monitor the progress on the implementation of each recommendation agreed by Cabinet.

4. Financial

The majority of the recommendations have no financial impact or can be contained within existing budgets. Where a recommendation involves additional funds then these will have to be obtained through the normal budgeting process. In the present financial situation, where additional funds are required compensating savings will have to be found.

5 Legal

The legal implications are outlined against the recommendations in Appendix B, as appropriate. Where additional legal support is required to implement recommendations, this will be met by the service concerned.

5. Value For Money

There are no value for money issues arising directly from this report. The Panel's work, carried out largely within existing budgets, was carried out without having to engage paid outside assistance.

The effectiveness of scrutiny is measured by the quality of its recommendations to Cabinet and the extent to which it has contributed to both democratic renewal and Members' community development role. The Panel held open public meetings and solicited views through expert witnesses to ensure a regular and sustained input to the work of the Panel.

7. Sustainability Impact Appraisal

There are no direct impacts arising from this report though any Cabinet actions resulting in a further report will have these fully spelt out.

8. Risk Management

There are no risks directly arising from this report.

9. Community Safety

There are no direct implications arising from this report.

10. Links to the 6 Priorities for the Borough

While all the priorities are linked in the report the key one is improving public health through early intervention and prevention. In particular to support residents with physical and mental health issues to be as independent as possible

11. Equalities, Human Rights and Community Cohesion

No Equality Impact Assessment was required for this report.

12. Staffing/Workforce and Accommodation implications:

There are none directly arising from this report.

13. Property and Assets

None

14. Any other implications

None

15. Consultation

This report arises entirely from a Scrutiny Panel. During the Panel's work there was a large amount of consultation with health partners, community organisations, and carers.

16. Timetable for Implementation

The Health and Adults Social Services Scrutiny Panel will monitor, twice yearly, the implementation of the recommendations accepted by Cabinet, with the first examination of progress in October 2015.

Cabinet Action		Date	Service Implementation
1.	Cabinet accepts some or all recommendations.	15 September 2015	28 September 2015 in line with Call-in requirements.
2.	Cabinet requests further information.	15 September 2015	Service provides additional information for Cabinet on 20 October 2015.
3.	As a result of further information, Cabinet accepts or rejects remaining recommendations.	20 October 2015	2 November 2015 – in line with Call-in requirements.

17. Appendices

Appendix A – Report of Health and Adult Social Services Standing Scrutiny Panel 'Review of Dementia Services in Ealing'.

Appendix B – Recommendations arising from the Review of Dementia Services in Ealing with officer comments.
